Instructions:

Thank you for your interest in our application and welcome to your dashboard. Please carefully read the information below. It addresses many aspects of the application process.

- To begin your application, click on any section and start filling in questions.
- You have the option to save your work and submit the application at a later time. Be sure to click the "Save" button at the bottom of each section to save your work. There is a time-out feature. If a page remains idle for 20 minutes, it will not automatically save your work and require you to log back in.
- Before submitting the application, ensure that all sections are filled out properly. Once the application has been submitted, no additions or corrections to the application are allowed.
- Each section below must read 100% in order to submit your application. If a section does not read 100%, you missed a required question(s) in that section.
- Attachments are only accepted in PDF format, portrait orientation and sized 8-1/2"x11".
- Preview Application and Print for your records.
- When you are ready to submit, click the "Final Review and Submit" button to verify your attachments have uploaded correctly and the application contains all the necessary information. Before submitting your application, you should print a copy by clicking on the printer icon.

Prior to beginning the Letter of Intent application, please review the funding eligibility requirements listed in the LOI Outline at this link: <http://bit.ly/grant-process>.
