Impact Success Stories

Prior to Hurricane Irma, hundreds of shelf-stable
meals were delivered to home-bound seniors.

An adult client with severe mental
illness learned to read - and recently
finished his first book.

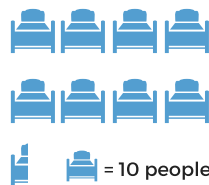

A young child with Autism Spectrum Disorder
began play and language therapy. Her family is
now learning how to learn with her.

Seniors received
33,664 meals &
350 wellness checks

Health

83 survivors of
domestic violence and
sexual assault received
emergency shelter

92% of clients showed a **reduction in**
trauma symptoms after counseling
