- If we have started your return and we are awaiting information from you to complete your return, we will be in touch with you by phone to get the necessary information to complete your return.
- If we have not started your return these are your options:
  - Go on the Internet to [www.myfreetaxes.com](http://www.myfreetaxes.com) to complete your return on your own for no charge if it is a simple return.
  - If your tax return requires other forms that the above site will not process for free, there is a commercially free tax site to file federal income taxes on the internet. This site is [www.freetaxusa.com](http://www.freetaxusa.com) and it guides you through the process.
  - Use tax preparation software such as Turbo Tax or Tax Wise that can be purchased at BJ's, Office Depot, and Staples. These programs will guide you step by step and are easy to use for simpler returns.
  - Wait until at least April 1 and call the United Way information line at **211 or 386-253-0564** for a status of area VITA sites. **PLEASE, DO NOT CALL OR VISIT THE \_\_ (location of site) \_\_\_\_\_ AS THEY WILL NOT HAVE THE STATUS**
  - Use a paid commercial tax preparation service.
- It is a possibility that the IRS will likely be extending the due date for filing beyond April 15. Go to [www.irs.gov](http://www.irs.gov) for the latest information.

- We apologize for the inconvenience and we hope we will be able to reopen this season to assist you. Please stay safe!
